

## WEDDING RECEPTIONS AT TOKARA

### General

Thank you for considering Tokara Restaurant as a venue for your wedding reception.

A very limited amount of weddings are hosted at Tokara Restaurant per year in the interest of our loyal local and visiting restaurant patrons.

We have seating space for 110 guests in the restaurant, while the balcony can, weather permitting, be used for pre or post dinner drinks or dancing.

The foyer outside the winery may, weather permitting, be used as a meeting area for drinks and canapés after the ceremony.

The restaurant is a non-smoking area.

### Pricing

A venue hire fee of R10 000 is payable for wedding receptions during our peak summer months, November to April.

No venue hire fee is payable between May and October.

The venue hire fee is payable one month before the date of the reception. The receipt of the venue hire fee also serves as confirmation of the booking. The venue hire fee is non-refundable regardless of the reception being cancelled or postponed after payment thereof.

The bill for the food (see menu pricing on the next page) is payable two weeks before the date of the reception. A breakage and cleaning deposit of R5 000 is also payable at this time, which will be refunded within seven working days after the reception minus any breakage or extraordinary cleaning costs incurred as a result of the reception.

All beverages ordered during the course of the reception will be rung up on a single bill, which will be presented for payment at the end of the evening. A service charge of 12.5% will be added to your final bill (calculated on the total food and beverage bill, but excluding the venue hire fee and breakage deposit).

### Cuisine

Our menu changes daily depending on the best seasonal produce available. It is therefore best to discuss menu options closer to the date of the reception.

We will be glad to host the bridal pair for dinner and a bottle of Tokara wine free of charge in order to finalise the menu for the reception.

Please note that although Tokara Restaurant does not serve Kosher or Halal food, we can order Kosher or Halal meals from outside caterers for receptions at Tokara Restaurant.

It is also possible, to a certain extent, to avoid ingredients to make dishes on our menu Kosher or Halal "friendly". We however stress that the relevant religious authorities have not blessed such dishes.

## **Menu pricing**

The standard set menu pricing is as follows:

R300 per person - one starter, main and dessert pre-selected;

R330 per person - canapés at arrival plus one starter, main and dessert pre-selected; or

R380 per person - canapés at arrival plus an option of two dishes for each of the three courses.

The menu price will be increased according to specific requirements or instructions, for example, if a dish with an expensive ingredient, such as crayfish, is requested.

Any dietary requirements must be confirmed two weeks before the reception.

## **Beverages**

All beverages including wine, mineral water, coffee and tea are charged per the Tokara Restaurant drinks list.

We will provide you with an updated Tokara Restaurant drinks list should you be interested in selecting certain wines, spirits or other drinks in advance of the reception. We would also try our best to source specific vintage wines or spirits, not listed on the Tokara Restaurant drinks list, if required.

No outside supply of beverage will be considered.

## **Décor & other requirements**

We would gladly refer you to florists, musicians or other forms of entertainment to suit the specific nature or theme of your reception.

The restaurant is equipped with a sound system for background music and a cordless microphone for speeches. Any additional furniture, audio visual equipment, linen, flowers, décor and decorations or supplementary crockery, cutlery, glassware required for the reception are not included in any of the fees or prices mentioned in this document and is exclusively for your account.

Please raise any other specific requirements for the reception timeously.

## **Terms and conditions**

We will e-mail you a wedding reception booking form with our standard terms and conditions should you wish to proceed with a booking. We will confirm the booking once we have received the signed wedding reception booking form and the venue hire fee, if applicable.

Please do not hesitate to contact us should you have any questions in this regard.
